Katharine Kranz Lewis, PHD, MSN, MPH, RN
Deputy Commissioner, Department of Public Health
410 Capitol Avenue
P.O. Box 340308
Hartford, CT 06106

November 28, 2012

Dear Dr. Kranz Lewis:

Due to the recent state requirement changes around Connecticut vaccines, Aetna will provide a thirty day grace period to our participating Connecticut providers who administer childhood vaccinations to allow the depletion of their preordered vaccine supplies. After this time, on February 1, 2013, Aetna will align its policy with the new state requirements.

Please do not hesitate to contact us for any questions or concerns.

Sincerely,

A handwritten signature in cursive script, appearing to read "James D. Cross".
